

Study Plan

Saturday/Sunday

Print out quiz questions, carefully read chapter of textbook – find answers – 1.5 hours

Tuesday

Print out and Fill in Quiz Answer Sheet - .5 hours

Wednesday

Hand in quiz at start of class, carefully listen/take notes on Team & Prof J. Presentations - 1.5 hours

Thursday/Friday

Review notes, carefully read case problems - compose answers and post to etudes – 2.0 hours

Read textbook	1.5 hours
Answer Quiz	.5 hours
Class time	1.5 hours
Read case problems & Post	2.0 hours
Total time	5.5 hours

* note - standard "rule of thumb" - spend 6 hours of studying for each 3 unit class. This is a 3 unit class. Manage your time carefully. Be sure to stay current on your work. If you fall behind call Prof J. right away and be sure to come to class no matter what. These steps provide you with a “plan” for success
